The Special thanks of the Committee are given to Mrs Burleigh Leach and those who helped her in running a very successful dance which realized the sum of £64. There were no Sales or House-to-house collections during the year, but the United Women's League gave a donation of £11 6s 0d. for which the Committee are very grateful.

The thanks of the Committee are also due to Messrs. Studt & Sons, and the Showmans' Guild for once again giving their Fair Benefit, and in addition to Messrs. Studt & Sons, for giving an Organ Recital which brought in the sum of £13 0s 10d to the funds of the Hospital.

Miss Couper resigned on the 3rd December, 1928. Her place was temporarily filled by Nurse Owen who kindly consented to carry on the duties of matron until a new appointment should be made. The Committee have much pleasure in welcoming the new Matron, Mrs Friend, and it is hoped that she will be happy and successful in her administration of the Hospital.

Since the period under review in this Report a Private Ward has been opened at the Infirmary which was not long in being occupied. The Committee hope that this new arrangement will be of great benefit to patients who are willing to pay for the special accommodation thus provided.

The charge for the Private Ward is 5 Guineas per week,

All Patients shall pay according to their circumstances, not less than 3s 6d to £3 3s per week, these fees should be paid while the patient is in the Hospital.
